

ALL PURPOSE SANITISER

PRODUCT DESCRIPTION

Ecobug® All Purpose Sanitiser utilises eco-friendly, naturally derived, mild surfactants and a natural fermentation extract to produce an environmentally-responsible and sustainable biocidal cleaner.

CORE BENEFITS

- Kills 99.999% of bacteria
- Triple action - cleans, sanitises, removes unpleasant odours
- Leaves surfaces sparkling clean, odour free and protected
- Approved to EN1276 for *Pseudomonas aeruginosa*, *Escherichia coli*, *Staphylococcus aureus* and *Enterococcus hirae*. Approved to EN 13697 for *Pseudomonas aeruginosa*, *Escherichia coli*, *Staphylococcus aureus* and *Enterococcus hirae*, along with a number of other bacterial strains and fungi. Also approved to EN 13623 for *Legionella pneumophila*.
- Safer for the user as well as the environment than most traditional disinfectants
- Suitable for domestic and industrial use

AREAS OF USE

- for smaller surfaces or floors
- spa area
- sanitary
- training equipment at a gym
- etc.

ALL PURPOSE SANITISER

HOW DOES IT WORK?

The ingredients in Ecobug® All-Purpose Sanitiser work in synergy to ensure efficient kill of a wide range of microbial species.

The product has multiple modes of action:

- Damages outer membranes, causing leakage of cell contents
- Attacks other cell structures, proteins and DNA
- Prevents protein synthesis
- Arrests energy production by the cell

DIRECTIONS FOR USE

Spray on and leave for a few moments before wiping away with a clean, damp cloth. For stubborn soiling leave for 5 minutes before wiping away.

PRODUCT SPECIFICATION

Contains: Fresh fragrance, cleaning agents, naturally derived biocide

PU: 6x750ml ready to use
